The amildar in his report No. 583 of 3.3.13 has stated that the cost of repairs would probably amount to Rs 1000/- and that a reference of the Carvings is also mentioned in page 264, Volume VIII of Epigraphi Karnatica.

Submitted for orders. It is a question for consideration whether in view of the temple (which is not a mere institution) being one of antiquarian interest, the D.P.W may be asked to look to the renovation of the same. This year's State Grant has well nigh been exhausted & the annual allotment is not enough to repair mere institutions.
